ПЕРМЬ

PERMM

Perm is an oasis of history and modernity. The Modern Art Museum PERMM is quite young, but it is the first modern art museum of Perm region. The museum is located in a former court building, which was renovated especially for the Russian Federal exhibition (2013). The most successful and popular with the local public programme were the New Sculptures through and through, a tour of Russian modern art.

PERMM museum, Perm Art Gallery and Local History Museum are located close to each other and create a convenient museum complex, which represents unique way from the past to the Future of art, from history to modernity and use transfer the visitor from one epoch to another.

Perm and its partners aim to bring the regional museum and promote their presentation at the international level. Museum should create educational and interpretation of heritage to the world art center.

Civil Perm

Perm is a well-known centre of civil initiatives in Russia. Perm 36, the only museum of the History of Political Repression in Russia, is located in a former Gulag prison. The prison is being preserved as a historical monument, a most pathos for political education in Russia.

The museum organizes the annual PERMMANA festival, which takes the form of a festival of civil activity.

Perm 36 engages art as a form of historical education. For instance, at PERMMANA festival the spectators could see acts from Fiddler and One Day in the Life of Ivan Denisovich performed by the company of Free Opera and Ballet Theatre directed by Theodor Kuznetsov.

Perm is Alive

"PERM ALIVE" is a festival of modern art for everyone. It combines music, theatre, cinema, visual arts, poetry and prose, and is intended to be accessible for everyone.

"PERM ALIVE" project has made the first steps towards involving the creative energy of local artists and other communities in a series of traditional and ethnic events.

Perm, a Modern Art Laboratory

TEXTURA
The creative environment that shapes the city has inspired the Theatre and Opera Festival TEXTURA.

TEXTURA is the first festival in the history of the city combining Russian and foreign films and theatrical plays about modern life. The festival, which was successfully launched in 2016, intends to focus on the "here and now" phenomenon looking into the "future" of modern reality. The restoration of historical programmes, cinema and drama with the help of new languages, new techniques and new themes.

Perm – White Nights

At the WHITE NIGHTS in Perm is the reflection of a modern cross-border city at the border between Europe and Asia, open to creativity and new ideas. It comprises GREAT CAUCASUS, WHITE MAGIC, and THE BATTLE OF THREE CAPITALS. Freshness, spirit and drama performances, musical dramas, forums, creative actions, a variety of art genres, and is characterized by free democratic atmosphere.

The WHITE NIGHTS is a new stage of the cultural life of the city. It is an old culture and art. It is a change of the city image.

Perm and Jazz

JAZZ FEVER is an international jazz festival that has been held in Perm for 5 years. The festival is devoted to the memory of one of the founders of Russian jazz Henry Erglisov. Jazz Fever is the name of the best known pieces by this jazz composer, who lived and worked in Perm for a long time. The festival gives a new impulse to the development of jazz music in Perm region and strengthens creative links with leading jazz musicians.
